21. [REDACTED] LIAISON Received a call from Martha Talley, on the staff of the House Committee on Standards of Official Conduct, regarding the Committee's request for an interview with a former CIA officer and its request to review certain documents. We scheduled the interview for 11:00 a.m. on 9 May in the C&R Conference Room, and agreed that Ms. Talley would visit Headquarters to review the pertinent documents on 2 May at 2:00 p.m.

✓ 22. [REDACTED] LIAISON Received a call from Ed Stevenson, GAO, who headed the team of GAO investigators who recently visited South America to survey the efforts of U.S. agencies to curb the flow of cocaine into the U.S. This survey was conducted for the Senate Foreign Relations Subcommittee on International Operations (McGovern Subcommittee). He asked if the Agency would be willing to testify at open hearings based on the GAO survey. Stevenson said the staff did not plan to call the Agency, but he had a discussion with a staff member and Stevenson suggested that the Agency might have something to offer. I confirmed with Stevenson that the Agency's role is totally supportive of law enforcement agencies and that we would not be able to provide any information significant to the Committee's inquiry as to the responsibilities being carried out by the law enforcement agencies. Stevenson said he was not pressing and would convey this to the Subcommittee staff and doubted that we would be requested to appear. He added that the Subcommittee wants to hold these hearings totally in open session and the staff recognizes that if the Agency testified it would have to be in executive session. Stevenson said he would get back to Subcommittee staff, but doubted that we would be called.

23. [REDACTED] EMPLOYMENT REQUEST Received a call from Wanda Scott, in the office of Representative K. Gunn McKay (D., Utah), who requested a professional employment package be sent to her for a constituent. OLC Registry was advised.

24. [REDACTED] EMPLOYMENT REQUEST Received a call from Kay Ross, in the office of Representative G. V. Montgomery (D., Miss.), wanting to know what the employment advertisement in the New York Times, 2 April, said. I read the ad to her verbatim.
